Commissioner for Patents

The Information Disclosure Statement filed October 20, 2005, cannot be considered, as Applicant's statement pursuant to 37 CFR 1.97 recites that no item of information was known to any individual associated with the filing or prosecution of the application more than three months prior to the ORIGINAL filing of the Supplemental Information Disclosure ON JUNE 1, 2005. The provisions of 37 CFR 1.97(e) require no items of information to be known to any individual associated with the filing or prosecution of the application more than three months prior to the filing of the CURRENT INFORMATION DISCLOSURE STATEMENT, and cannot retroactively provide any declarations to a prior submitted Information Disclosure Statement(s). Thus, Applicant's filed Information Disclosure Statement filed October 20, 2005 is non-compliant with the provisions of 37 CFR 1.97.
